ORDER RETURNING UNDOCKETED APPEAL

This application was received electronically at the Board of Patent Appeals and Interferences on June 30, 2008. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below:

On September 4, 2007, appellants filed an Appeal Brief. A review of the file reveals that claim 15 in the appendix of the Appeal Brief is not consistent as amended in the Amendment filed on September 21, 2006. The Appeal Brief Appendix of Claims (claim 15, page A4 of the appendix, line 10 reads: "generating a code representation of a model of the set of pipelined processors; and". However, the Amendment dated September 21, 2006 (claim 15, page 6, lines 1-2) reads: "generating a code representation of a model of the set of pipelined processors; and" Appropriate correction required.

Accordingly, it is

ORDERED that the application is returned to the Examiner for:

- 1) correction of the Appendix; and
- 2) for such further action as may be appropriate.

If there are any questions pertaining to this order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
